Dear Phyllis,

Thank you for the assistance you and your co-facilitators provided to me during a very difficult time in my life. The Divorce Recovery Program enabled me to somehow cope with all the stress associated with this period. What was most helpful was the informal atmosphere at each meeting, which encouraged participants to openly share their concerns/pains with others. It was indeed a "safe place" to vent your emotions.

I certainly appreciate your efforts in helping others through the divorce. All individuals were always welcomed to the group.

Best wishes,
