

Ghana Report—November 2013

Ebenezer Korsah & Anthony Kuranchie

The Church at Stationview, Anthony Kuranchie & Ebenezer Korsah send "Greetings" to all the saints at Princeton!

Additions to God's Church: There were 16 baptisms during September for a total of 146 YTD. The Lord has blessed us mightily in 2013, our most productive y-t-d yet in our partnership! Read more below!

Adjetey Camp Church: Nightly Street Preaching started from Thursday 7th – Saturday 9th November in a village called Baasare 8Km away from Adjetey Camp. All members zealously involved themselves carrying plastic chairs and packing machines into a hired car to be sent to Baasare. We hired a car at a cost of \$140 USD that conveyed all the member to Baasare and back to Adjetey Camp every night going 3 times in and out each day. It was successfully climaxed with a very positive response. The majority of the people living in Baasare were appealing to us to come again because other religious groups have been preaching Biblical error and the Truth needed to be preached by us! The following Sunday, nearby churches of Assin Aworoso, Twifo Nuamakrom, Twifo Brimponso, Twifo Afosua & Twifo Akutuase sent members to be present as the topics of **"WHAT IS THE CHURCH OF CHRIST", and "THE CENTRALITY OF EVANG. IN THE LIFE OF THE CHURCH"** was preached. There an attendance of 176 with six baptisms on 11November.

FOCUS ON April2014 WOMEN'S CAMP: To build enthusiasm for this event, Elizabeth Kuranchie and I visit the churches sensitizing the Christian sisters and mothers to prepare for camp 2014. On Friday 22nd November, we departed home at 5:00pm to pick a car to Wurakese arriving there at 6:15pm planning to visit the Christian women there. We discussed their spiritual and physical contribution toward the success of camp 2014. Total number of women in the church were 23. At the end of it they were happy, understood the need to cooperate and plan effectively. Finally they promised strongly to be part of the women's camp 2014 scheduled for Assin Fosu.

Assin Area Women's Prayers for Upcoming Event: Wednesday 27th November, 2013 was chosen by all Christian Sisters to meet the second time at Station View to have fellowship in prayers. Over 170 women in Assin among the churches of Christ attended this program to make it successful. Sisters came from 20 out of 27 churches in Assin. They arrived as early as 9:00am to start it. Sister leaders from the churches led the prayers and songs. They prayed about so many things especially the growth of churches in Assin. It was a good time with positive minds.

The Congregations sometimes struggle: All the Churches are striving ardently to rise up to standards expected by God. Satan is strong trying to meddle in some areas of importance in the churches. Ketukrom is one of these congregations. This congregation is encountering a lot of problems causing it go up and down. We know these are some of the spiritual battles and our God had already won. Our visit to Ketukrom Church of Christ on Sunday 1st December 2013 resulted in 2 Souls baptized. There was no car to take us to the river side 2 ½ Km away from

Ketukrom to baptize them. So we hired bicycles to the riverside in order to baptize the 2 Souls.
Pray for this congregation by name to be strong!

Twifo Afosua 3 Day Campaign: I worked with three area preachers at this town 26 KM from Assin Fosu with nightly street preaching. The church has been there for 3 years, and this was their first time gospel campaign publicity. It started from Thursday 28th – Saturday 30th November 2013. One Preacher preached on the first day on **GOD'S PLAN OF SALVATION**, Ebenezer from Assin Fosu also preached the second day on the **CHURCH OF THE BIBLE**, then another preacher on the third day on **THE WORSHIP OF THE NEW TESTAMENT CHURCH**. This preaching resulted in 8 Souls being baptized at Twifo Afosua. (I get many preaching/campaign requests and can never say "Yes" to all invitations; this was a congregation that needed me to come, and the Lord has blessed again!)

December 2013 Deaf Camp-Upcoming: This year's deaf camp is scheduled to take place at Assin Fosu College of Education campus under direction of Station View and Agona Swedru Churches of Christ as co-hosts of the camp. The Camp Committee is comprised of 10 deaf interpreters including Ebenezer and Elizabeth (Anthony's wife). Letters have been sent inviting the deaf ministries in the Church of Christ all over Ghana to attend this camp which starts from Thursday 26th – Sunday 29th December, 2013. Hundreds are expected! The main topics to be treated during our stay in camp are as follows: **THE DEAF OF CHRIST, CRIMINAL LAWS IN GHANA, THE CHALLENGE TO ATTEND SCHOOL AS DEAF PEOPLE**. This **Annual National Deaf Camp** held in December every year has helped the deaf in our country develop a sense of belonging. It has given them a reason to go to school, learn a trade or do something productive. With this camp in place, they have come to feel loved as they are afforded the rare opportunity to interact with other deaf as well as with interpreters drawn from all over Ghana.

Bibles: We are happy to inform PCC that we have purchased a case of 24 new Bibles for recent converts as a result of a PCC gift. We are also grateful that a PCC Special contribution has provided \$1000 for the upcoming December Deaf Camp event where about 400 will attend and be influenced for Christ! Once again our Partnership with PCC has been blessed by God.

Personal news: We pray the blessings of the season upon all PCC! We ask for continued Good Health and Prosperity for all in 2014! Pray for us. Do email or text us! Do come see us!

Together, in His service,

Ebenezer Korsah
