Hi Phyllis,

I am so impressed with you as a facilitator. You are wonderful! You express yourself beautifully and articulately. Actually, you are the reason why I came back last week. I enjoy when you talk ;) I know I am quiet in the group, but I am taking in everything.

Thanks so much.

Shelley

Hi Phyllis,

I just had to let you know I thought our last support group was so helpful to me. I related to a lot of the discussions we talked about. I felt really good when I left.

You are doing an incredible job facilitating. Sharing our stories validates what a lot of us are feeling. I am very grateful for the service your church is providing for people like myself.

Phyllis, as we say in Jewish...you are doing a true "mitzvah!"

Warmest Regards,  
Shelley
