

TRUE WORSHIP

Part 4

Introduction – The New Testament’s radical view is that worship is a part of our everyday lifestyle. As God’s living Temple, we have an opportunity to create sacred space wherever we go.

A. The Greek word *threskia* is a worship concept referring to religion.

James 1:26-27

B. There are a series of related Greek words referring to piety in worship (*eusebia*).

1 Timothy 4:7-8

1 Timothy 6:3-5

1 Timothy 6:6-8

1 Timothy 6:9-11

Conclusion – The New Testament centers worship in the context of everyday living rather than five acts of worship to be done in a worship service or unique situations.
