

MIND RENEWAL

Introduction – We have introduced a biblical and psychological model for human functioning the last three weeks. The purpose is to equip you with the insight to cooperate with God in the renewal of your mind.

Romans 12:2

- A. Repentance in the Bible means a radical change of mind and attitude. This is an ongoing process in a believer's life.
 - 1. First we must change our minds about our need for God's forgiveness in Christ.
 - 2. Secondly we must continue to dare to believe that all our needs for significance and security are fully met out of our relationship to God through Christ.
- B. The goal is to change our thinking so that we have the mind of Christ (1 Cor. 2:16).

Ephesians 4:17-19

Ephesians 4:20-24

- C. The application of this model for human functioning

Conclusion – The process to mind renewal is simple, but we have thousands of scenarios to which we must apply this wisdom. (If you have specific questions about how to apply this to a situation in your life, email me at wadzeck@juno.com).

The Solution to Problems

Only God can reach our deepest needs. We must begin with “because God has met my needs of security and significance....”

We must change our goals from desirable to attainable ones.

Christ**
