

## KING DAVID A MAN OF FAITH

Introduction – The TV series entitled “The Bible” is generally doing a good job presenting the story of the Bible. Some of the details of the story are not accurate. One example is them showing King David as a charioteer.

- A. There is an important principle involved in rejecting advanced technology like chariots and horses in making war for a man of faith.

Deuteronomy 20:1-4

Psalms 20:6-9

- B. David recognized the battle was the Lord's and he could overcome any odds with God's help.

1 Samuel 17:45-47

2 Samuel 8:3-4

- C. God provided the chariots and horses to defend his prophet and people.

2 Kings 6:15-18

- D. The promised Messianic King was one of peace in which chariots would not be needed.

Zechariah 9:9-10

Conclusion – In Christ we follow the Prince of Peace and fight the spiritual battle within us so we can live in harmony with God and others.

2 Corinthians 10:3-5

### Discussion Questions

1. What do you like and dislike about the TV series "The Bible"?
2. Why were chariots and horses so important in ancient warfare?
3. Do we tend to trust too much in our superior technology for success?
4. How can technology help or interfere with our real battle within to bring every thought captive to Christ?
