

## BODY LIFE EVANGELISM

Introduction – We are in a culture that emphasizes individual efforts. Successful outreach requires teamwork within each congregation.

- A. Christ gives each congregation differently gifted leaders to equip them for outreach and in reach.

Ephesians 4:11-13

- B. The goal of leaders equipping everyone is the maturity of every member. This will create a healthy congregation that knows how to build itself up in love and grow evangelistically.

Ephesians 4:14-16

- C. Spiritual gifts are given for the purpose of serving others, not ourselves.

1 Peter 4:9-11

Conclusion – Congregations that are effective in reaching out to outsiders are open to being equipped to serve. Together we can fulfill the great commission, but as lone individuals we are destined to fail.
