

## THE DISCIPLING PRINCIPLE – PART 4

**Introduction** – Discipling requires a four-generational process (Jesus, the 12, the 72, the 500). Most one-another passages assume we are involved in intimate spiritual relationships (level one through three). You cannot restore New Testament Christianity without creating a discipling ministry.

A. Discipling Encouragement

Hebrews 3:12-14

B. Discipling Spiritual Restoration

Galatians 6:1-5

C. Discipling Leadership

1 Thessalonians 5:12-14

**Conclusion** – We need to seek out mentors and become mentors of others so that we can become the men and women of God that the New Testament envisions for us.
