

WHO ARE YOU? – #4

B. Cultural constructs about identity are based on the wisdom of fools.

1. Romans 1:21-23

2. Romans 1:24-27

C. There are severe consequences for us personally and society at-large when we fail to embrace our true self.

Conclusion – Our society's confusion and conflict over personal identity is not new, but is a struggle for every new generation. This robs us of peace, hope, and joy which only our identity centered in God can restore.
