

SALVATION – #3

Introduction – Salvation in the past concerns Jesus actions for us. In the present it is a transformative process we experience. Our complete salvation will be accomplished when Jesus returns to judge the world and create a new heaven and earth where we will dwell forever.

A. God's Word Saves Us

James 1:19-21

B. The Kind of Faith that Saves

James 2:14-19

James 2:20-24

C. Only God Is Qualified to Judge and Save

James 4:11-12

D. Saving Wanderers from Death

James 5:19-20

Conclusion – We can resist God's Word, have fruitless faith, be judgmental of others, or wander away from Christ to our own destruction. Salvation is characterized by a humble reception of God's Word that acts to bless others, bringing wanderers back home.
