

HUMAN FLOURISHING – 1

Introduction – God did not create us to just exist and then die. God’s creational purpose was for human beings to flourish.

Genesis 1:27-28

- A. In the parable of the sower and the soils, Jesus identifies the seed as the Word of God and the soil as the condition of human hearts.

Mark 4:18-19

- B. Human flourishing requires self-surrendered service.

John 12:23-26

- C. Being fruitful demonstrates that we are Jesus disciples.

John 15:5-8

Conclusion – We must re-envision our life in Christ so that we might be fruitful and flourishing as God designed us to be.
